Subject Fw: Asarco - Photos of Waste in Storage

Please see the attached photos which clarify Denise's concerns regarding the sharp edges of the first lift of wastes.

Subject Asarco - Photos of Waste in Storage

Linda,

The attached pictures are from a September 2007 inspection. I saw these photos and found them helpful to understand the waste that is intended to be placed first in the CAMU. I thought you might find them helpful as well.

Denise
